EDUCATION

Tertiary Education:

Polytechnic University of the Philippines – Sta. Mesa, Manila

- Bachelor of Science in Civil Engineering

Secondary Education:

De La Salle University - Dasmariñas, Cavite

SKILLS

- Proficient in software including **MIDAS Gen, Staad Pro, IDEA Statica, RAM Connect, HILTI Profis Anchor**
- Knowledgeable in **Revit, Auto CAD, Google Sketchup, Bluebeam, Microsoft Office**

EXPERIENCE

Angel Lazaro and Associates International, Junior Civil Engineer; February 2024 – Present

- Conducted numerous structural analyses including retrofit designs of vertical structures in compliance to the codes of NSCP, ACI, AISC
- Incorporated retrofitting methods including steel and concrete jacketing, and carbon fiber reinforced polymer.
- Led retrofit design of 6 buildings using Buckling-Restrained Braces (BRBs) to improve drift performance and reduce overall building cost
- Created and optimized calculation spreadsheets for improved efficiency, and effectively reduced material costs without compromising safety
- Performed site inspections, crack mapping, and structural assessments across multiple projects
- Coordinated with architects and stakeholders including LGUs and international organizations (e.g., World Bank)
- Facilitated OJT trainees and supported team deliverables

Sample Design and Retrofit Projects:

- *LL Building Parking* – 2000 sqm. parking with steel design and connections
- *DPWH: Philippine Seismic Risk Reduction and Resilience Project* – Various design, assessment, and retrofitting of functional elements for public school buildings
- *Pamantasang Lungsod ng Pasig Rehabilitation* – 16,000 sqm building, concrete design and foundation with piles

International Project Management Association (IPMA Philippines), Intern; July 2022 – Sept 2023

- Assisted in project timeline management and learned on-site construction methodologies
- Engaged in the processing of documents, permits, and clearances required before construction

PERSONAL PROJECTS & ACHIEVEMENTS

Proposed Two-storey Residential Building - Taguig City, Metro Manila; (April 2025 – August 2025)

- Designed and conducted structural analysis and created the mathematical model of a residential building using MIDAS Gen while coordinating with the architects and clients
- Coordinated with architects, MEP engineers, and contractors to resolve design conflicts and ensure constructability.
- Prepared detailed structural drawings, design calculations, and construction documents in compliance with NSCP standards

Speaker / Presentor - Pasig City, Metro Manila; (August 2024)

- Presented the project details in five (5) institutions and answered queries of the four (4) World Bank Representatives, Local Government Units (LGUs) of Pasig City

LICENSE

- Registered Civil Engineer – *April 2023 Board Exam*

CERTIFICATIONS

- MIDAS IT Philippines: Comprehensive Training Workshop for MIDAS Civil – November 2024
- HILTI: Performance Evaluation of Post-Installed Anchor Systems – April 2024
- MIDAS IT Philippines: Perspectives and Practices: A Spectrum of Structural Design Solutions – April 2024
- Autodesk Certified Professional Revit for Structural Design Exam Prep – February 2024
- Autodesk Certified Professional Civil 3D for Infrastructure Design Exam Prep – January 2024
- University of the Philippines - Diliman: Structural Health Monitoring for Buildings – November 2022
- Autodesk Certified Professional: AutoCAD Design & Drafting Exam Prep – November 2022

ORGANIZATIONS

- Philippine Institute of Civil Engineers (PICE)
- Philippine Institute of Civil Engineers - PUP Student Chapter

SKILLS AND INTERESTS

Languages: Tagalog (native), English (Fluent), French (Beginner), Japanese (Beginner)

Volunteering: Media Partner that took photographs and shot montages of the event (DBTK Anniversary Event)

Interests: Formulating business ideas, Trading cryptocurrencies and learning more about the blockchain, Cooking and hosting for guests, Took participation in gatherings such as Perfume testing, Sports Car and Fitness Enthusiast
